NEASC ACCREDITED

1961 – 50th ANNIVERSARY - 2011

December 2011

Dear Parents/Guardians,

WINTER IS HERE. Please be sure that your children are cautious around the neighborhood streets, especially with the chance of more inclement weather upon us.

Please remember in the event of bad weather, Parents/Guardians should listen to the major television and radio stations for the announcement for the closing of the Abington Public Schools. Whatever the Abington Schools do shall determine what Saint Bridget School shall do. On delayed openings, our full day Kindergarten will be in session. Parents/Guardians should not call the school. If weather conditions are poor parents/guardians should follow their own best judgment.

This month's "**Breakfast with Santa**" was a **tremendous success**. We "**THANK**" our P.T.O. along with the many volunteers for helping and donating so much of their time and talents. It truly was an enjoyable event.

The **Christmas Concert** was **great!** A delightful evening was had by ALL. Mrs. McCarthy and our students should be commended for an outstanding performance.

The many donations to "**The St. Bridget Giving Tree**" were most appreciated. It will be a tremendous help to those families in need. Jesus is the reason for the season. We all can set his example by helping and giving to others who aren't as fortunate as we might be.

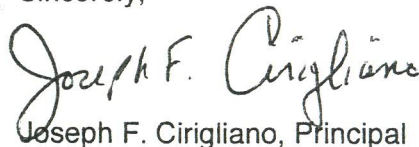

Catholic Schools Week starts on Sunday, January 29th. We will have a 50th Anniversary Celebration Mass, on this day, at 11:30A.M. Bishop Doohan will be the Celebrant. We would like all of our families, (students in their uniforms) to attend – along with Alumni. More details regarding this and Catholic Schools Week will be forthcoming.

My **sincere thanks** to staff for the fine work they do each school day. Also, thanks to the parents for all they do to support our school. I, along with staff, will continue to work in the best interests of your children throughout the school year.

On behalf of the entire St. Bridget's School Community we wish you:

"A Very Merry and Holy Christmas and a Happy, Healthy New Year"!!!

Sincerely,

Joseph F. Cirigliano, Principal
