Hello everyone, my name is Mrs. Thorpe, and I am very excited to be your 3rd grade teacher this year! I live in Hanover with my husband and two kids, Hadley & Joey. You can usually find me at the beach, a playground, or out on my parents boat!

I am new to our school BUT I taught third grade for seven years before staying home with my two kids. I have my bachelors in elementary education as well as my masters in reading. I am a licensed reading specialist and it's my favorite thing to teach! I am very excited to jump back into teaching and watch you grow and learn this year!
