Parent Involvement Matters

The PTO at St. Bridget School is an essential part of our school community. We are committed to and reliant on our school's parent community as partners in education. We recognize the importance of parents being involved in their child(ren)'s activities while at school.

All parents are automatically members of our PTO. We welcome and encourage everyone to become active participants and support the PTO. All PTO fundraising efforts go directly to fund the needs of our school. Our entire school community benefits from your involvement – at any level.

Why is the PTO so important?

INVOLVEMENT

Active participation from parents is crucial to fostering a supportive school environment.

SUPPORT

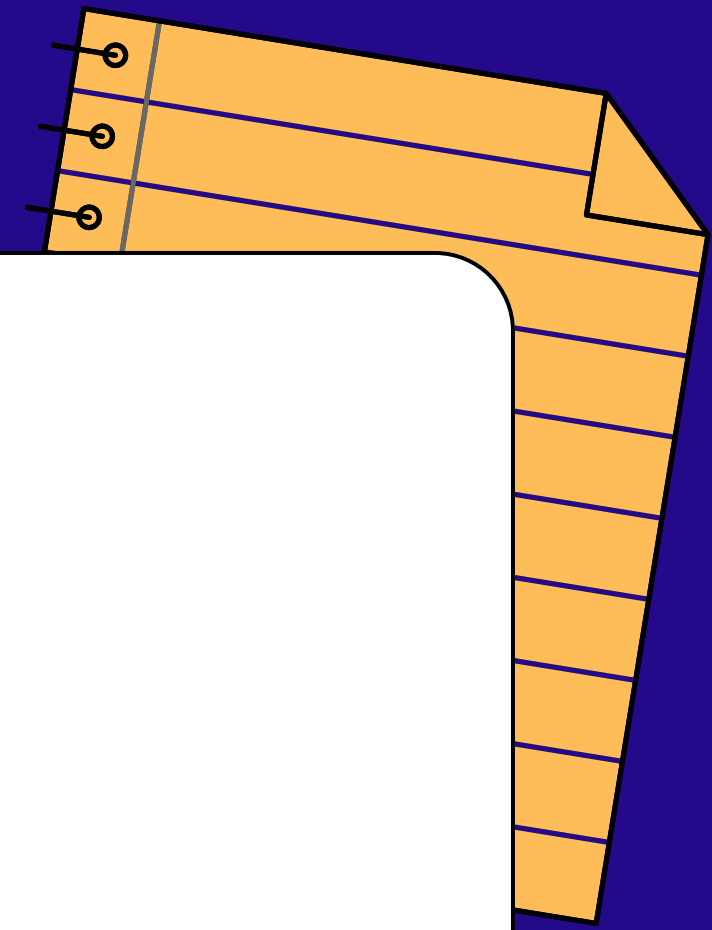

Providing resources and assistance strengthens the relationship between parents and the school.

COMMUNITY

Strong connections among parents, teachers, and students enhance the educational experience for everyone.

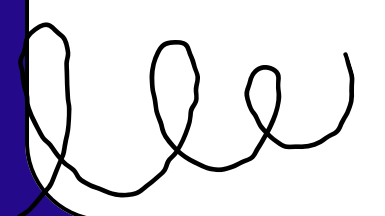

Your Support Matters!

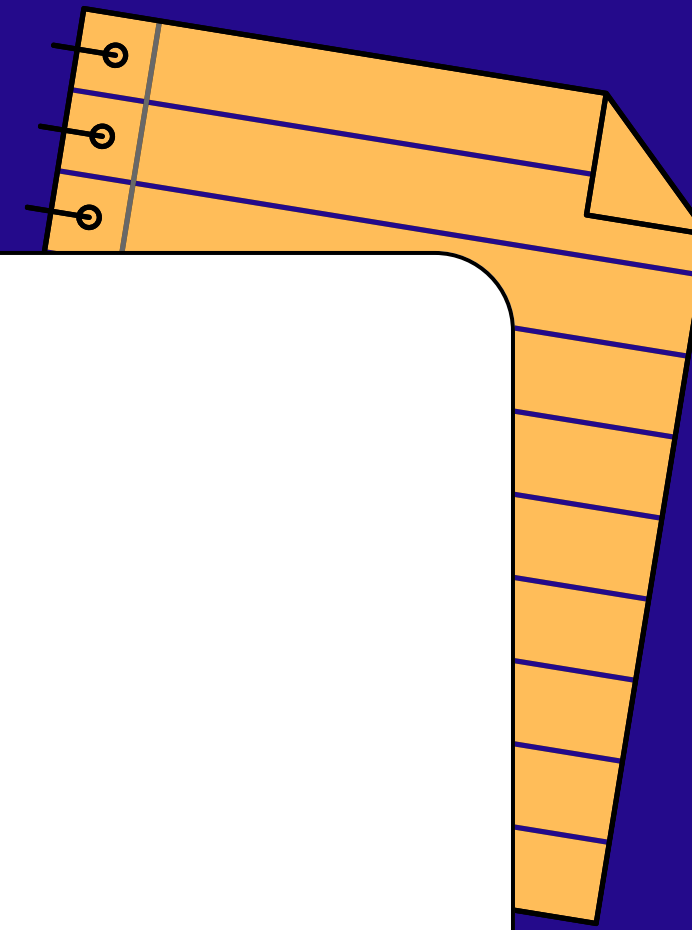

WHY

The PTO Board and PTO volunteers are the bridge between the families and the school, enriching the educational experience and fostering a collaborative community.

Your Support Matters!

Parent Involvement

With the expansion of the Early Education Center, we're looking at adding two officer-in-training roles to the PTO for the 2025-2026 school year, who have children in the EEC program

Being involved with PTO events, meetings and volunteer opportunities allows for you to have additional communication streams with the community, allowing for more awareness as a parent in your child's school community

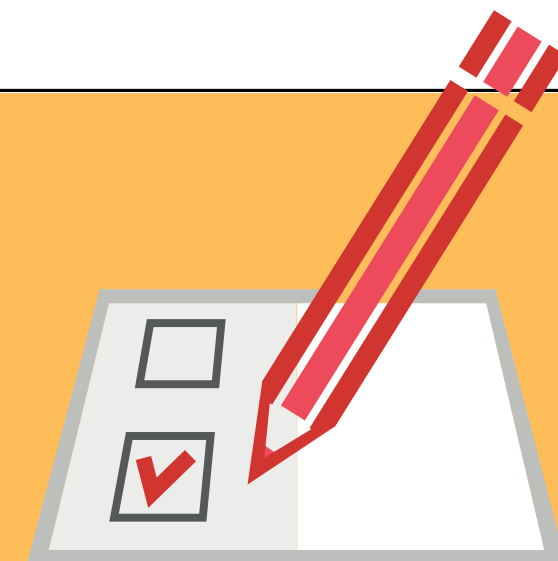

Volunteer commitments with the PTO will be more clearly defined and structured for the time you are giving to our community

ELECTION YEAR!

This year is also an election year for all positions. In order to run for the PTO, please keep in mind you must commit to the following:

1. Eligibility. Any Member who has attended two of the previous four general PTO meetings and participated in at least two sponsored PTO events as a volunteer is eligible for nomination as an Officer. *
2. Each Officer shall have the duty of loyalty, good faith and to act in the best interest of the PTO in the exercise of their Office. Each Officer shall attend every general meeting of the PTO and participate in all PTO sponsored events.

***Elections will be held at the final PTO meeting of the year. Which means, to be eligible to run, you must attend at least 2 PTO meetings this year. However, we encourage all those interested to attend all events, and as many meetings as possible throughout the year.**

SAINT BRIDGET SCHOOL

2024-2025 Expenditure Vote

In the previous year, our primary goal was to replenish the PTO budget following a major investment in the front of the school project. Although our events were successful in securing funds for the carnival, we aimed for a more ambitious initiative for the upcoming 2024-2025 school year.

Signage for Front of School

ASK

The primary purpose of the digital sign would be to improve communication and provide timely, relevant information to all who pass by the school. This would serve several functions:

Information Dissemination: Including school announcements, emergency alerts, school events, and highlighting achievements

Efficiency and Cost-Effectiveness: we can reach a broader audience, potentially use less paper, real-time updates, and inclusivity (including multiple languages)

Flexibility and Adaptability: we can control the content easily through an app; allowing for versatility and adaptability

COST

The financial commitment is viewed as a long-term investment, and guarantee for 10 years.

TOTAL INVESTMENT:
\$21,600
