

Dear “Future” Second-grade Families,

While we all prepare for a wonderful summer, I am already thinking about the next school year! I realize I am probably the only one, but I thought it might be helpful to everyone if I put out our class needs now, rather than wait. (Please note that ALL supplies are considered “community” supplies rather than individual unless otherwise noted.) Explaining this to children before the first day of school is very helpful to me!

### **Second-Grade Supply List**

- Black/White composition notebook (individual)
- 1 pack of washable markers (individual)
- 1 pack 24 crayons (individual) Please no more than 24crayons.
- 1 pack colored pencils (individual)
